**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I happily changed over to Sonic.net from AT&T after they raised my rates beyond what I can afford. Sonic charges a fair rate and also doesnt keep raising it substantially every year. I appreciate dealing with a local company, as well. I urge you to not cut off small competitors who keep the price of service at a reasonable level. So, no to price hikes, yes, to broadband and yes, supporting local, competitive companies.

Thank you,

Georgia Berry
